2004 Fall Conference “Government and Private Agencies Working Together for Better Pavements”

There was much discussion about the conference agenda: Matt and Eric have put together an appealing range of topics. They should finalize the brochure in a couple of weeks and send it out to the Eboard members.

The Pavement Management systems represented: OAC, Mobility/CRIS, Centerline, CHEC, Street Saver, ERES.

Charges: Vendors - \$300/\$125 add'l person Attendee - \$195/\$125 add'l person

Potential occupancy per room – 80, max of 160 both rooms

Speakers will not be charged registration, Eboard personnel are not exempt from registration

2005 spring conference tentatively in Spokane

2005 fall conference will be held in Vancouver, WA

The next conference call will be Thursday, July 22nd from 10 AM to noon
360-357-2903 Pin #7147
